Walsall Family Hubs

Welcome to our July to September 2026 Activity Timetable for children aged 0 to 5.

This timetable is here to help families in Walsall – from pregnancy to when your child turns 5. Whether you're having a baby, caring for a toddler, or supporting a child with extra needs, we're here to help you.

Inside, you'll find lots of FREE groups, activities, and workshops to help your child learn and grow. There are things like baby massage, stay-and-play groups and antenatal sessions. Some groups need booking, but others you can just drop in!

Pregnancy can be an exciting time, but it's normal to have questions too. Whether you're a parent, carer, grandparent or co-parent, you can visit our friendly spaces to meet others, get advice and find the support that's right for your family.

We hope these activities bring fun, friendship, and support to your journey. We can't wait to see you and your family soon!

Activities to do at home with your children

Take a look at our activities that will enable you to create low-cost fun crafts for the whole family at home.

Bird Feeder

What you'll need:

- Toilet/kitchen roll tube
- Peanut butter or Lard
- Bird seeds
- Flat tray to put seeds on
- String
- Spoon

How to make your bird feeder:

1. Completely cover your toilet roll tube in peanut butter
2. Sprinkle the bird seeds on a flat surface
3. Roll the tube through it to completely cover
4. Cut a piece of string
5. Thread through the tube and tie
6. You can now hang this out in the garden and wait for the birds to come
7. Talk about how many different types of birds you see

Paper Windmill

What you'll need:

- A4 paper, any colour
- Scissors
- Glue stick
- Drawing pin
- Straw
- Wooden skewer

How to make your paper windmill:

1. Fold the paper to make a square
2. Then fold in half one way
3. Open out and fold the other way
4. Cut along each fold, $\frac{3}{4}$ of the way towards the centre
5. Place some glue in the centre
6. Fold in the right corner of each corner into the centre
7. Push the drawing pin through the centre to make a hole (ask an adult for help with this part)
8. Cut a small piece from the end of the straw, remove the drawing pin, place the small piece of straw on the end, this will help the windmill to spin freely, replace the drawing pin in to the centre of the paper
9. Push the pin in to your skewer (again ask an adult for help with this)
10. Your windmill is ready!

Cress Heads

Bowling game

What you'll need:

- Empty plastic bottles
- Paper to decorate if wanted
- Felt tip pens
- Kitchen foil
- Glue or sellotape

How to make your bowling game:

1. Decorate strips of paper to attach to your bottles, they could have numbers or different colours
2. Attach them to the bottles with glue or Sellotape
3. Take a length of foil and scrunch it up tight to make a ball as big as you like
4. Now we are ready to play
5. Line up your bottles as you wish
6. Bowl your foil ball and see how many you can knock down
7. Enjoy

If using with little ones, secure the lid of the bottle with glue or tape.

You can make the game a little harder by putting things in the bottles to make them a little heavier such as water or rice.

**If you do not have empty bottles you could also use empty toilet roll/kitchen roll tubes and decorate. of birds you see

What you'll need:

- Empty egg shells, just the top missing
- Cotton wool
- Cress seeds
- Water
- Empty egg box or bottle tops
- Felt tips

How to make your cress heads:

1. Take you egg shell, draw on a face or however you want your cress head to look
2. Stand it in either an empty egg box for support or stand on a plastic bottle top
3. Wet the cotton wool so that it is damp
4. Carefully push the cotton wool inside the egg shell
5. Scatter a few of the seeds on top
6. Keep somewhere bright like the window sill and wait patiently for it to grow
7. Once grown you can add it to a sandwich or a salad and try something you have grown yourself.

If you don't have or don't want to use egg shells you could use a small yoghurt pot using the same instructions.

Binoculars

What you'll need:

- Kitchen roll cut in half
- Small piece of string
- Sellotape
- Paint brush
- Paint to decorate
- Pencil to make hole in top

How to make your binoculars:

1. Using a pencil push a hole into the outside of each half
2. Using the paint brush paint both rolls and leave to dry
3. Once dry tape the rolls together at the top and bottom
4. Using the string thread the end of each string through the hole and tie
